EDUCATION

Visvesvaraya Technological
University, Belagavi

*Bachelor of Engineering
Computer Science*

TECHNICAL SKILLS

Java
Spring Core
Spring Boot
Spring MVC
Hibernate
Spring ORM
Spring Data JPA
Rest API
SQL
Maven
Servlets, JSP
Eclipse
SVN
HTML5
Thymeleaf
CSS

KEY SKILLS

Good presentation skills
Good at Team Work
Good Time Management
Very Optimistic

PROFESSIONAL SUMMARY

As a Java developer with 2 years of experience, I have demonstrated proficiency in developing and delivering high-quality software applications. I have experience in designing and implementing complex software solutions Spring Boot framework and many libraries. My technical skills include strong proficiency in Java, Spring Framework, Various Modules of Spring Boot, Hibernate, SQL, and Restful Web Services.

Additionally, I possess strong problem-solving skills, the ability to learn quickly and adapt to new technologies, and excellent communication skills. I am passionate about software development and constantly seek to expand my knowledge and skills to stay up-to-date with industry trends and best practices.

WORK HISTORY

Ionidea interactive Pvt Ltd - Associate Software Engineer
Hubli, KA • 08/2021 - Current

- Developing and maintaining end-to-end Spring Boot web applications, including the design, implementation, testing, and deployment of software solutions.
- Collaborating with UX/UI designers and front-end developers to ensure seamless integration between the back-end and front-end systems.
- Developing and implementing Restful APIs for seamless data communication between the front-end and back-end systems.
